## General Information

### ARRANGEMENTS

Arrangements may be made at Wright Funeral Home, where our dedicated staff is available to guide families through each step of the planning process. We recommend that, in addition to the information provided in the following pages, families bring items such as clothing, a photo of their loved one, cemetery deed, and relevant insurance documents to the arrangement meeting.

Our funeral directors will work closely with the clergy to determine the best time and location for the service and will handle obituary placements in all requested local and out-of-state newspapers, using the details provided by the family. Prearranging with us can provide peace of mind and ensure that all wishes are carefully honored when the time comes.

### SOCIAL SECURITY BENEFITS

With each service we provide, our team submits a "Statement of Death by Funeral Director" to the Social Security Administration. This statement initiates the process to stop Social Security payments.

Currently, Social Security provides a one-time death benefit of \$255.00, which is available only to a surviving spouse or minor child. The surviving spouse or guardian of minor children must contact the Social Security Administration in person to arrange for these benefits. Social Security Administration:  
Clarksburg: 320 W Pike St Suite 120,  
Clarksburg, WV 26301, (800) 772-1213  
Elkins: 300 3rd St. Suite 325, Elkins, WV 26241  
(800) 772-1213. For more information, visit [www.ssa.gov](http://www.ssa.gov) or call the National Office at (800) 772-1213.

### VETERANS BENEFITS

All United States veterans who received an honorable or general discharge are eligible for certain non-monetary benefits, including an American flag, a government-issued grave marker, and a burial space in the nearest National or State Cemetery for the veteran and their spouse. Our services include assistance with these claims, which will require the veteran's DD-214 or comparable discharge documentation. Additionally, some veterans may qualify for extra monetary benefits. For more information, we recommend scheduling an appointment with the Veteran Affairs Department at Clarksburg Benefits Office: 153 West Main Street, Suite 101 Clarksburg, WV 26301, 304-627-2175 or contacting the National Veterans Affairs Office at (800) 827-1000.

### DEATH CERTIFICATES

The Death Certificate, certified by the State of West Virginia, serves as a legal document needed to file claims, transfer asset ownership, or continue Social Security benefits for a minor. Most institutions require a certified copy, as photocopies are often insufficient. If you need help or need additional copies later, our staff will be available to assist.

### INSURANCE CLAIMS

Our team is available to help with filing insurance claims as well. Most insurance providers allow beneficiaries to assign some or all of the policy's benefits to the funeral home to cover funeral expenses. It's essential to ensure that the policy's beneficiary information is current and updated as needed.

Disclaimer: These prices are effective as of September 1, 2025 but are subject to change without notice. In most areas of the country, no state or local law requires that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Our funeral home makes no representation of warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties of merchandising fitness for a particular product extended by the seller.

Our services are required at a moment's notice, day or night – or even years ahead, in the case of pre-planning. We provide a final, fitting tribute to the deceased while offering comfort and clarity to those who live on. It's an awesome responsibility, one we accept with respect and pride. We welcome your inquiries and stand ready to be of service. In difficult times, one turns to family.

## Payment Policy

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected at time of arrangements and due prior to services rendered.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

## Payment Options

- Payment with cash or check
  - Payment with approved all major credit cards (4% service charge)
  - Pre-Paid funeral arrangements with Wright Funeral Homes and Crematory, subject to verification the policy is valid.
